PureBiotic® Mist

PROBIOTIC ENVIRONMENTAL CONTROL (PEC) • CONCENTRATED

. Introduction:

PureBiotic™ Mist is a Unique and Powerful tool to let you control the MicroBiome in which we all live. Now proven in a number of countries, PureBiotic™ Mist lets you easily and economically reach every corner of your facilities and home with the the protection and ability to control odors, mold, dirt & greatly lower the Risk of Infection. Chemical-Free, PureBiotics' Stabalized Probiotics are incredibly powerful, work down to the actual microscopic level and continues protect for days after each application. Note that PureBiotic™ Mist Probiotic Environmental Contorl is can be use for many beneficial applications and also mixed with other products, such as Green cleaners, to extend its uses.

Summary Description of Uses:

PureBiotic™ Mist is an extremely effective deodorizer that harnesses the natural power of probiotics to target even the hardest to reach areas in your home, office and work areas. Allergens, dust mites and other harmful contaminants and many unwanted organisms are removed and replaced by a long-lasting protective layer of StaBiotics™ - the Beneficial, Stabilized, Non-GMO, Organic Based Probiotics, that create a safe, stable and odor-free natural environment. Apply PureBiotic™ Mist to pillows, bedding, air vents, upholstery, drapes, carpets, stuffed toys and all other surfaces

• Key Benefits:

- **Eliminates Odors - Deconstructs & Removes the Source of Odors**
- **Removes Dust Mite & Other Allergens, Irritants and Other Contaminants**
- **Deconstructs BioFilm that protects germs and traps dirt & contaminants**
- **Works & Protects Down to the actual Microscopic Surface Level**
- **Keeps Working, Cleaning & Protecting For Up To 3 Days with each use**
- **Creates a Powerful Protective Layer of Beneficial StaBiotics™**
- **Economical & Reduces your and your Staff's Work Time**
- **Targets, Covers & Protects All Normally Hard-To-Reach & Unreachable Surfaces**
- **Safe, Chemical-Free, 100% Non-GMO Organic Beneficial Probiotics**
- **Hypoallergenic – Scent-Free and Colorant-Free**
- **Replaces many aerosol & chemical products with just 1 Green solution**
